## DO YOU KNOW SOMEONE WHO SHOULD BE A FARM BUREAU MEMBER?

Contact Evelyn Minter – 724-679-8169 or Jim Boldy – 724-822-4173

### Why Farmers Should Become Members

Farm Bureau members are **leading together**. When farmers notice a problem, they want to fix it. Sometimes, the problems are too big for one farmer to fix. The members of Farm Bureau are working together to make real change to advance agriculture in Pennsylvania.

Whether it's easing regulations on high tunnels, changing a law to allow wider equipment on the roads, or making it easier to expand agritourism, we're leading the way forward together. When one member has an idea, thousands of members make it a reality. Join us by becoming a member of Farm Bureau today and take advantage of benefits such as:

- The united voice of Pennsylvania's largest general farm organization advocating for you.
- The opportunity to shape the future of Pennsylvania agriculture through Farm Bureau's grassroots advocacy and policy development. Your membership gives you a voice in shaping Farm Bureau's advocacy
- A chance to network with farmers across the nation and build relationships with elected officials at every level of government.

### Why Everyone Should Become Members

You don't have to be a farmer to be a Farm Bureau member. Farm Bureau members care about the stories behind their food and drink and are dedicated to supporting the farmers who make it all happen. Their membership supports our efforts to preserve the state's agricultural heritage and ensure that family farms can continue to produce local food, grow their communities and promote responsible stewardship of the land and natural resources. At the same time—through *Positively Pennsylvania* magazine—our non-farming members get the inside scoop on farm-to-table cuisine, craft beverages and farm-fresh food right from the people with the most intimate knowledge of Pennsylvania food culture: our state's farmers.

That's in addition to the wide range of benefits that come with Farm Bureau membership—from a major discounts on amusement park tickets to savings on vehicles, utilities, prescription drugs, hotels, car rentals, household supplies and more many more everyday purchases. Pennsylvania Farm Bureau's mission is simple: Growing Communities. Many Voices. United Vision. We believe that's a cause that everyone—not just farmers—can get behind. Farm Bureau members play an important role in our efforts that extend far beyond agriculture, from our annual charitable campaign to benefit Ronald McDonald House charities to our advocacy to get farm-fresh products into food banks and for rural communities to have access to quality health care, infrastructure and internet access.
