

FARMER

Farmers Allied for Responsive
More Effective Representation

You're Invited to Our FARMER Dinner

Join Us for the 2025 FARMER Fundraising Dinner!

Pennsylvania Farm Bureau's Political Action Committee, FARMER, is excited to host our annual fundraising dinner on Monday, April 7. This year, we are honored to welcome Attorney General Dave Sunday as our keynote speaker. Recently sworn in for his first term, AG Sunday will share his perspective on the key issues facing Pennsylvania, from law enforcement to rural communities, and what his administration's priorities mean for agriculture.

FARMER will use the funds raised from this event to support a slate of candidates seeking election to the General Assembly. Every two years, our PAC identifies candidates with a demonstrated record of supporting agriculture. We truly have friends in Harrisburg, and FARMER is a great way to thank them for their steadfast support of our industry.
