

You're Invited to Our FARMER Dinner

Join Us for the 2026 FARMER Fundraising Dinner!

Pennsylvania Farm Bureau's Political Action Committee, FARMER, is excited to host our annual fundraising dinner on Monday, March 30. This year, we are honored to welcome Pennsylvania Treasurer and gubernatorial candidate Stacy Garrity to serve as our keynote speaker. Garrity, a retired U.S. Army Reserve Colonel and businesswoman, has lived a life of service to her country, state and local community.

Garrity rose to the rank of Colonel in the U.S. Army Reserve, serving three deployments, including Operation Desert Storm, Operation Iraqi Freedom and Operation Enduring Freedom.

At home, Garrity rose from an accountant position to be named the first of two female vice presidents at Global Tungsten & Powders Corp. Today, as Pennsylvania Treasurer, Garrity's focus is on cutting waste, eliminating taxpayer abuse, and bringing transparency to Pennsylvania's government.

FARMER will use the funds raised from this event to support a slate of candidates seeking election to the General Assembly. Every two years, our PAC identifies candidates with a demonstrated record of supporting agriculture. We truly have friends in Harrisburg, and FARMER is a great way to thank them for their steadfast support of our industry.
